Welcome aboard the **South Steyne**

Dazzling by day... Spectacular by night...

South Steyne is the historic Sydney Harbour (Manly) ferry, built at Leith in Scotland at the same shipyard as the legendary "Titanic".

In 1938 she steamed via the Suez Canal to Australia from the U.K to commence work on the famous "7 Mile" run from Circular Quay to Manly on the cities northern beaches. As the "Manly Ferry", it crossed the cities waterways well over 100,000 times carrying in excess of 92 million passengers throughout the 36 years it cruised the Harbour.

After a major restoration this classic art deco steamship operates as a function centre and floating restaurant in the heart of Sydney's Darling Harbour next to the National Maritime Museum.

We're open daily and have Four Banquet Rooms, our Ship's Restaurant and the Bosuns Bar available, including:

The Harbourview Lounge	200 guests for dinner	250 for a cocktail party
The Manly Lounge	90 guests for dinner	130 for a cocktail party
The Saloon Lounge	30 guests for dinner	60 for a cocktail party
The Ships Boardroom	24 guests for dinner	
The Restaurant	90 guests for dinner	

South Steyne is the venue for all occasions...from a corporate dinner to a cocktail party, wedding or a fun time birthday celebration or perhaps just dine aboard in the ship's restaurant and for afters...there are a host of venues, nightclubs and the Star City Casino... all within walking distance of the ship.
